SCOPE OF WORKS REQUIREMENT FOR SECURITY OFFICER

Submit completed forms to security.dutymanager@cairnsairport.com.au

This form is to be completed to provide the security officer a detailed scope of what duties they'll be required to perform. This is to prevent any potential security breaches during the period of works.

The Requester of Works, as listed on the PERCOW, has the responsibility of arranging a security officer with Trident Services Australia - Cairns Airport via cns.sitemgr@tridentservices.com.au prior to this form being completed.
